Log in
The steps to log in to the Dashboard are different for students and employees and can only be done when access was already granted to the PC member.

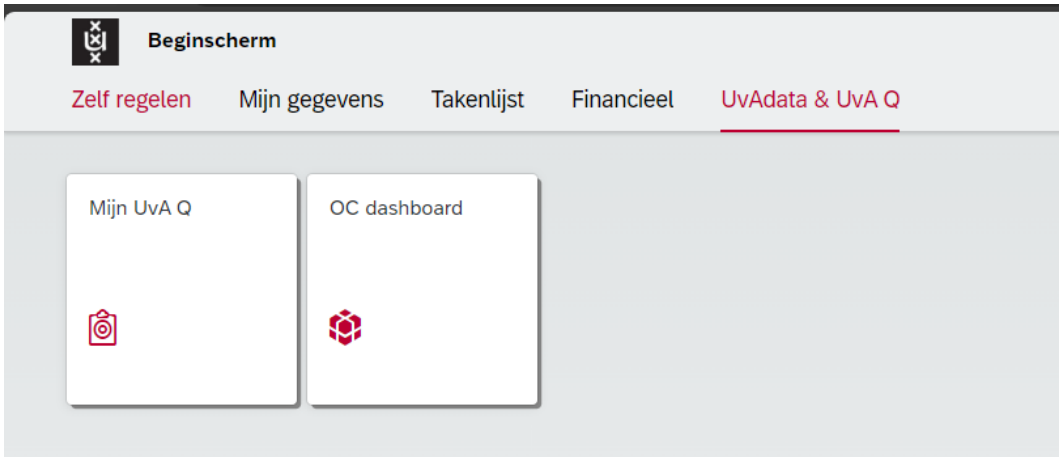

All steps require you to be on the UvA Wifi network, or that the UVA VPN is on!

Also start a new browser session

Employees:

Method 1 employees (easiest method): Via UvA Zelfbediening

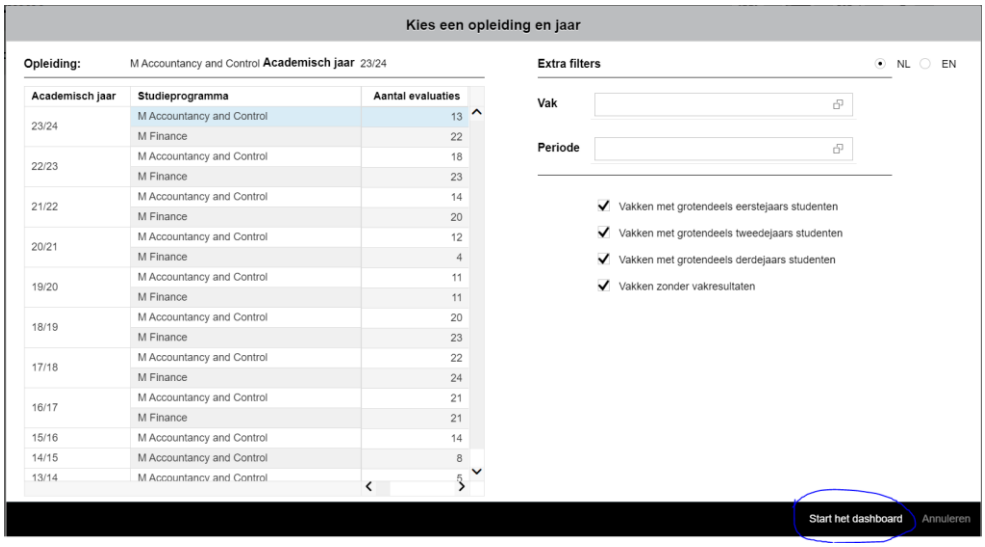

- Log in on zelfbediening.sap.uva.nl and navigate to the UvAdata & UvAQ tab

- - Clicking on the PC dashboard tile will take a UvA employee directly to the PC Dashboard he/she can access.

- - You are now logged in and can click on a course and year and apply additional filters on the right-hand side if required. Launch the Dashboard via the button at the bottom right.

-

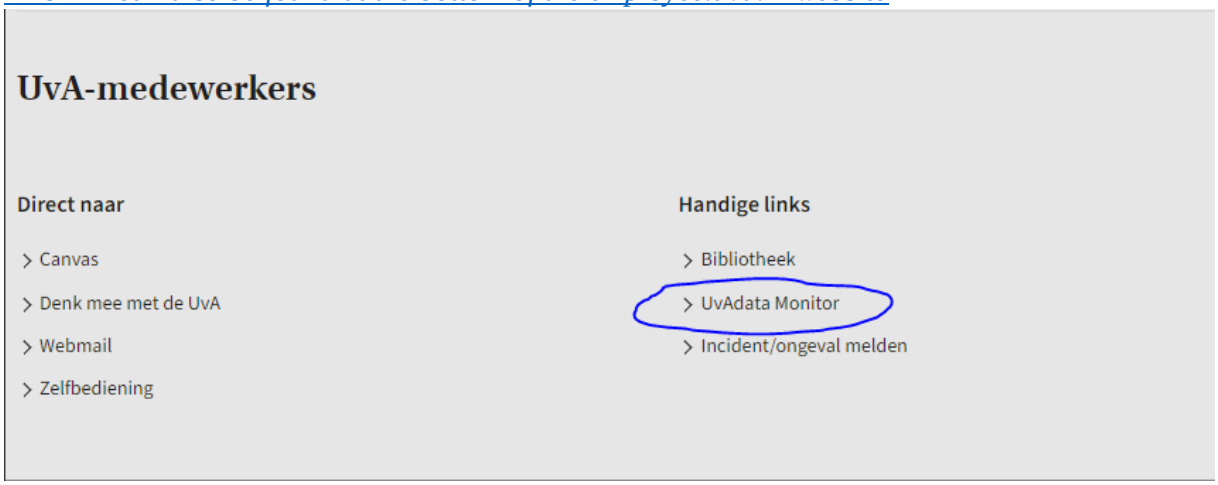

Method 2 employees: Via UvA Data Monitor

All steps require you to be on the UvA Wifi network, or that the UVA VPN is on!

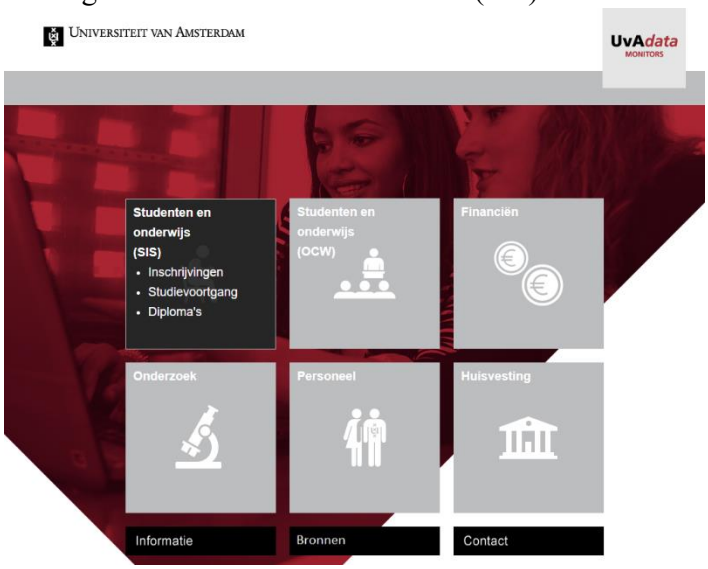

Also start a new browser session

first log in to employee.uva.nl and then use the following link:
https://data.sap.uva.nl/AdminTools/uvadatamonitor.jsp

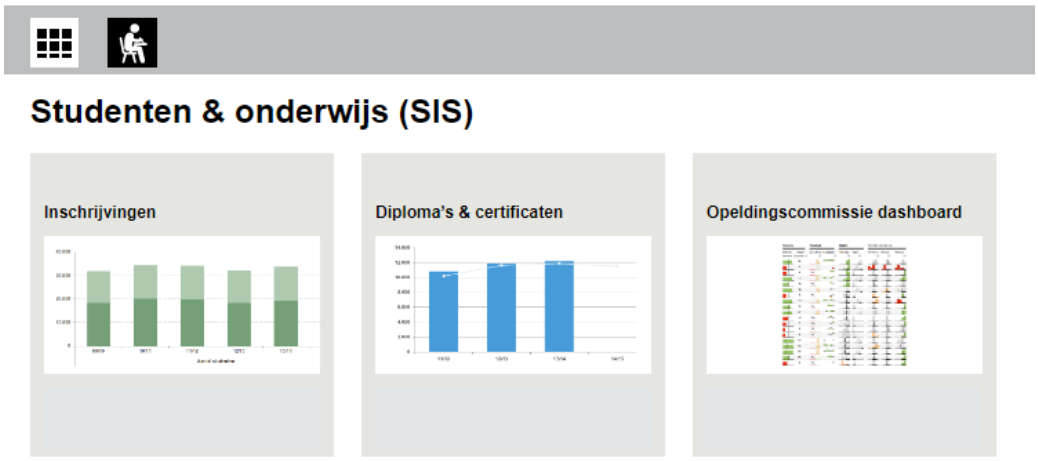

This link can also be found at the bottom of the employee.uva.nl website

- Navigate to 'Students and education (SIS)'

- Click on Opleidingscommissie/programmecommittee dashboard

-The following screen appears:

- Getting into the PC dashboard requires a code, which you can request with “I don't have a code yet”. Click on this, **but also keep this tab open.**

- The following screen will appear:

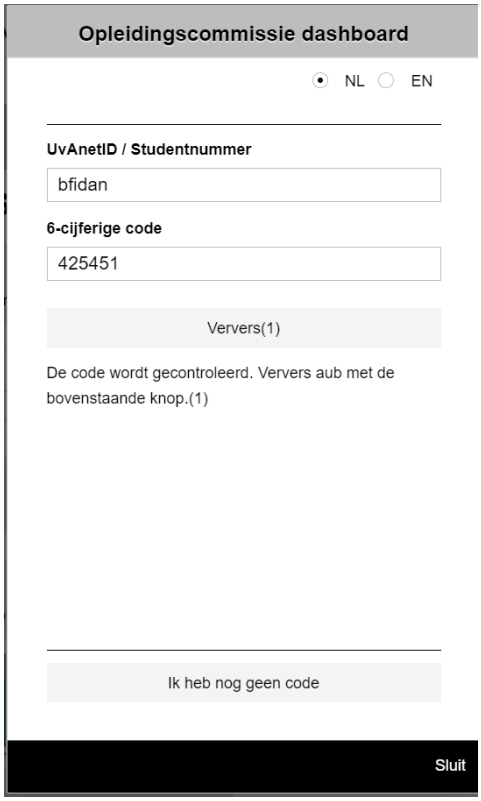

Enter your UvANetID or student number here and click continue, then click ‘refresh’ until the code is sent.

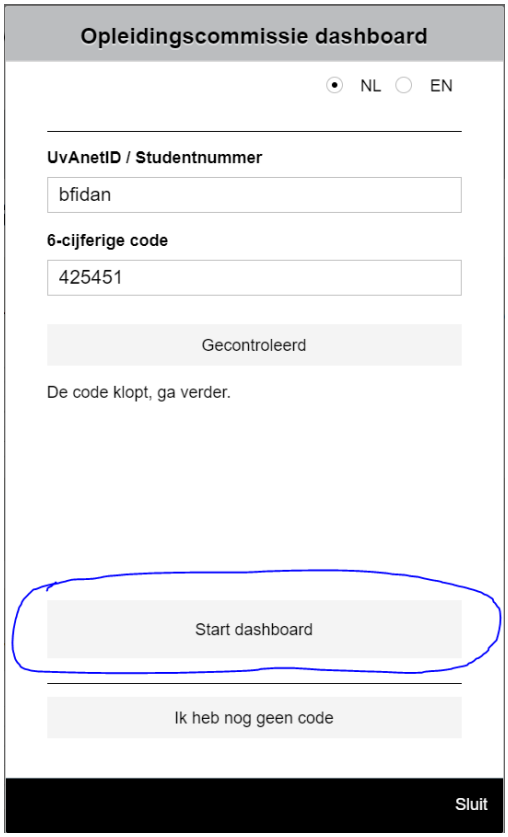

- In your mailbox, you will then receive a code valid for 24 hours to access the dashboard.

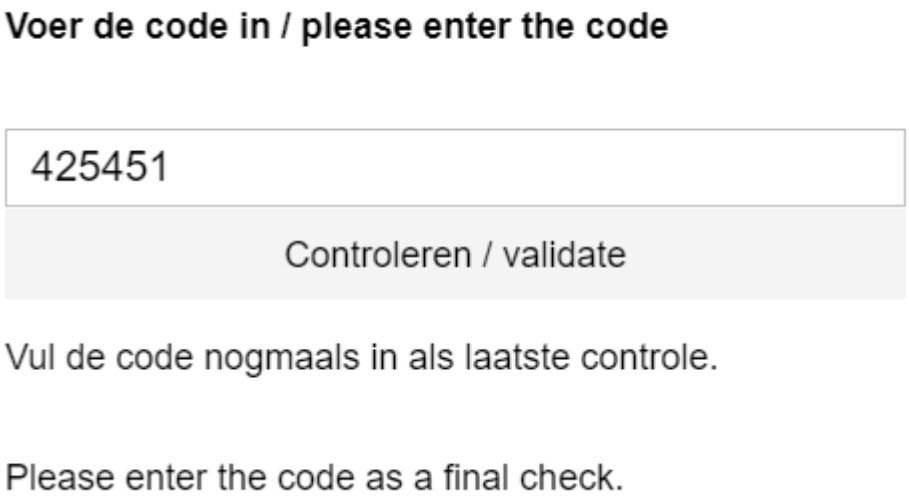

- Paste this code into the screen on the previous tab and click check and refresh

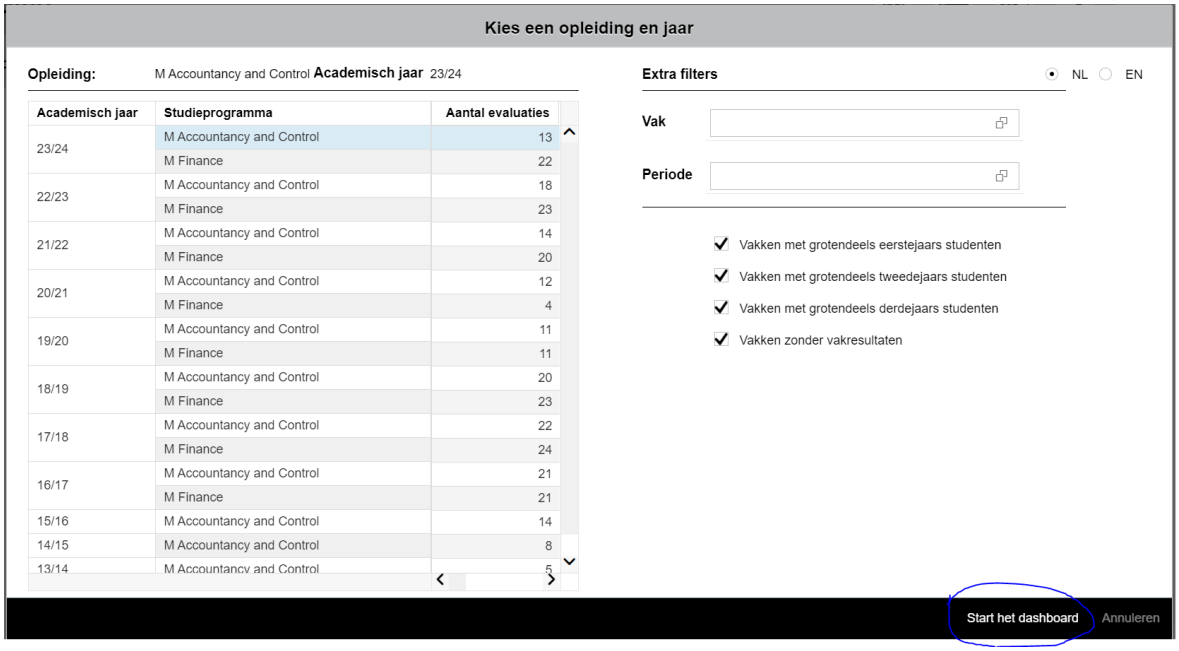

- Keep clicking on refresh until you get a message that the code is correct and ‘start dashboard’ is visible

- Enter the code again on the next screen and keep clicking refresh until you are redirected

- You are now logged in and can click on a course and year and apply additional filters on the right-hand side if required. Launch the Dashboard via the button at the bottom right.
